Hi John,

Same chemist is out again, but should be in tomorrow to sign the certificate. I can do a preliminary certificate if you need something today.

Elisabeth

John,

This sample is complete, however one of the chemists who needs to sign the certificate is out today. I know I said it would be ready by Friday but if you can wait for Monday morning I can get you a final certificate when that chemist is in.

Thanks,
Elisabeth

Elisabeth—can you get me an expedited cert on cc# [REDACTED]; Analysis number [REDACTED] Def. name is [REDACTED]

Should be 3 bags of suspected crack. Cocaine test is fine; I'll take a preliminary if that works better for you.

Can't charge until I get something; the guys didn't do a field test.

Thanks. Let me know?
